

Villa Punta Paraiso (Sayulita)

\$1,500 USD

Description

Overlooking the blue Pacific and nestled in the tropical jungle of Mexico's posh 33 acre development of Punta Sayulita sits Villa Punta Paraiso. A 6000 square foot private ocean view villa that continually lives up to its name. With 3 bedrooms and 4.5 baths this quintessential Riviera Nayarit villa exudes the essence of understated elegance. A heady combination of both luxury and nature. The bedroom suites offer panoramic views of the Pacific Ocean and the mountain areas surrounding the small surfing village of Sayulita. Delight in the tropical breezes offered on the private verandas, as they change from sunrise to sunset. Each of these suites are equipped with air conditioning, HD satellite TV and high speed internet. Two of the suites have outdoor showers overlooking the magnificent vegetation surrounding the property. Accommodates up to 8 people. Easily move throughout the villa from the nicely appointed and comfortable living room area, where you can watch a movie on a smart TV, or kick it and simply read a book. Stop in the gourmet kitchen and mix up Mexico's favorite drink, the margarita, and head on out to the main terrace where you will find a carefree environment of relaxation with unmatched views. No day is complete without a dip in the infinity pool.
